CORPORATE GOLF DAY

Your corporate golf day can be conducted using several golfing formats. We recommend a 4 person ambrose as the best format as it caters to all golfing levels. For more serious golfers you can play an Individual Stableford in conjunction with a team event or if you prefer an alternate format please contact us for clarification.

FORMAT

Below is a suggested format for your day, if you wish to make any changes please let us know and we can work this into a schedule for you. A morning shotgun start must occur no later than 8am and an afternoon shotgun no later than 1pm.

Arrival:	Registration desk at the front of the Golf Shop.
Practise Facilities:	Practice nets, putting and chipping green.
Tee Off:	Starter to call players to tee. Siren to sound start of play.
On course:	Novelty events can be coordinated, such as nearest to pins, long drives, straight drives and betting hole. Refreshments cart (if requested minimum of 80 players)
After Round:	<ul style="list-style-type: none">• Scoring• Dining as per your request• Presentation• Microphone with lectern, projector & screen, trophy table available.

COURSE HIRE

Exclusive use of our course is available upon request; Monday and Friday are our designated corporate days. Course hire is \$2500 for private use, this must be arranged at time of booking.

A shotgun start is the best way to run the day. The following number of players is required for shotgun starts:

100+ Players	18 Holes
80 to 99 Players	15 Holes
60 to 79 Players	12 Holes
40 to 59 Players	9 Holes

Shelly Beach Golf Club will book additional holes as your player numbers increase. Each group is started on 9 holes and then it is up to the organiser to inform Shelly Beach Golf Club of the increase to provide extra holes. If the organiser fails to do so, tee spots may be open to the public.

Player numbers must be confirmed 8 days prior to the golf day to allow sufficient time for the course to be reserved.
