Member's Golf Draw

OVERVIEW

Shelly Beach Golf Club (SBGC) hosts member competition golf seven days a week. Tuesday, Thursday, Saturday and Sunday competitions are extremely popular.

The default draw booking process is via the SBGC app. Timesheets become available at 6pm 7 days prior to the event. However, for the busy days Tuesday, Thursday, Saturday and Sunday, two separate in clubhouse draw nights are held.

- The draw for Tuesday and Thursday occurs the full week before on a Monday night.
- The draw for the Saturday and Sunday occurs the full week before on a Thursday night.

DRAW PROCESS

1. The online draw requires members to log in, join the draw, and then wait for their random allocation. They then can enter themselves or a group into the draw for that day.
2. The 'in clubhouse' draw procedure differs from the on-line draw, as follows:

- Member approaches draw table from 5pm and before 6pm to register their membership number.
- Member completes a booking slip with one to four names, including member numbers.
- Member waits until their name is called (via random shuffle), and presents their booking slip sheet to the draw table. Member indicates their preferred tee time, which is then entered onto draw sheet.
- At the conclusion of the process, the draw is uploaded, generally within 24 hours.
- Members are then able to access the draw sheet online to identify gaps in the field, should they wish to book a game.

DRAW RULES

A member may not book in multiple groups ie one-person, one-time slot.
The member drawn MUST be the person who registers the group, and their name MUST appear on the draw sheet. In respect to golfers who enjoy playing in 'subgroups' around the same time, a person may bring a draw sheet containing their name (and others) even if their name is already on another sheet. This rewards members who are present at the draw.

DRAW DROP OFF SHEETS

The Board recognise that some members may not be able to stay for the duration of the draw, for a variety of reasons. Therefore, a member can drop off their booking slip on the day of the draw anytime from 5pm. Only that one member's name will be registered in the draw.

NOT IN USE

The Board recognise that we have a group of volunteers who greatly assist with the movement of many golf carts, and other tasks, before the morning sunrise. These volunteers can take up one of the three (3) 'Not In Use' group spots prior to the first official group tee time. These time slots are generally before or near sunrise, and do not appear on the timesheet.

This group is not exclusive to any particular group of members. Anyone can apply to be considered a 'Not In Use' volunteer, but it does require a dedicated commitment to volunteer work over a period, not simply a one-off process to get an early tee time. The Pro shop manages this process.

TIMES TAKEN PRE-DRAW

There will be a maximum of three pre-draw tee times allocated on the time sheet.

- The President and the Captain get a pre-draw time as per Special Resolution at the AGM. In the event the Captain or President cannot play, that spot may be delegated to another Board member.
- The last member drawn out on a Monday and Thursday evening Draw is given a 'first choice' at the next draw. That person can pick any time they want for the next week.

MEMBER CONDUCT

The draw process has evolved over decades and is currently the fairest process available. Some members do get frustrated when they miss out on their preferred time. This frustration should never involve anger or abuse towards draw officials who are there to facilitate the draw in their own time.

Inappropriate behaviour may lead the member open to Disciplinary action per the Disciplinary Proceedings in our Club's Constitution.
