SUB-COMMITTEE REPORTS

LADY PRESIDENT'S REPORT

Five years since Toni McSweeny and I attended our first committee meeting!

Toni, full of enthusiasm and love for the game easily moved into the role of Lady Vice-Captain under Rebecca Goldsmith our then captain. With Toni's background and knowledge of computers she became very instrumental implementing and streamlining systems to make the role of managing our golf so much easier. The "Conditions of Play" being one of those documents that she has spent many hours over the years refining. With the early retirement of Rebecca in 2015 Toni took on the role as Lady Captain. Her interest in the rules and etiquette of the game went hand in hand with her passion, making a seamless transition.

In 2017 she was nominated as a candidate for the board. With much anticipation and excitement Toni was successful in her bid and has nearly completed her first year. Taking on the roles of both Captain and board member, at the same time, I'm sure have left little time in Toni's life for anything else, with that we thank her for her commitment, to not only the ladies, but our whole club.

The time has come for Toni to hand the role of Captain over to her understudy, Julie Mackey. On behalf of all the ladies, we would like to thank Toni for all her passion and commitment she's given over the last five years. Also for all the long hours you are now spending devoted to our club as a member of the board. We wish you many hours of happy Golfing! XX

The ongoing works inside our clubhouse and the introduction of Aqua restaurant have seen our SBGC become a more beautiful place to spend our time. I've had the pleasure of dining in the restaurant several times, as I know many of our ladies have, and the food has been fabulous. The new menu lends itself well to catering for large groups, as we found out when we have celebrated some of the ladies special birthdays, such as Kerry Davidson and Karin Linnet. Several of the ladies golfing days have culminated with the enjoyment of Daniel's smorgasbord lunches. They have been a huge hit with the ladies! Thanks Daniel. His next challenge will be the ladies Christmas party!! There are still more exciting improvements in the planning for our clubhouse and we look forward to seeing these unfold during 2019. In advance I would like to take this opportunity to thank the ladies for their patience and support during this time.

In the past year we have welcomed 15 new ladies into the realms of our now 200 strong lady members. Some are previous players and new to our area, but most have made the transition from the very successful Tyros program. Thank you to Jason and his staff, Jo Scott, Jan Mayfield and the many ladies who have given their time and devotion to this program. The Tyros program was first introduced at

SBGC in 2007 and has now seen over 100 new members join the playing ranks, helping to make the ladies of Shelly, the largest, and most beautiful fraternity of ladies on the coast.

Is it possible that our course could be any more beautiful? The ongoing development over the past year has seen many amazing changes. The thinning of all the bushes down the 7th opening up the view to ocean. How big can Andy possibly make the 10th and the 13th tees? And how did those guys get that grass to grow so green and so fast. My favourite though was watching the 15th green being reinvented. As the lower branches from those huge old pines were removed, the bunkers redesigned, the gardens removed and then all those metres of turf laid under the trees. There is now so much sunshine coming onto that green and the view to the ocean is amazing. Don't be surprised to find me sitting out there one afternoon enjoying a wine and the view. To Andy and all the greens staff. Thanks guys.

Janet Davies, Maria Wallis, Gai Palmer and Leonie Johns. The time and effort put into buying all those wonderful raffle prizes. The sweets and treats on your table for all to enjoy. The hours of wrapping and ribbon twirling..... An art in itself to be mastered :-] and to all those baking fairies who helped our social committee impress all our guests. We say farewell to the lovely ladies who have looked after our social committee for the past 2 years.

I would like introduce and congratulate the incoming ladies committee for 2019

SHELLY BEACH GOLF CLUB SNOOKER CLUB REPORT

Dear Members,

2018 has been a great year for the SBGC Snooker club starting with the invitation to return to the Central Coast district winter completion, this has come about with a change in the playing format which has reduced the time required per match and has considered the need to meet club trading requirements

The SBGC Snooker club made a major commitment to ensure that SBGC was viewed in the best possible light and seen as a major attraction within the district playing circuit area of clubs, this involved a major investment in the maintenance of the playing tables and new playing equipment.

Our Division 1 Team, Led by their captain Ken Ryan with the support of Kevin Hall, Len Wicks, Craig Mills and Drew Zajicek gave a great effort in a very strong competition and by the narrowest of calls and only by count back after finishing equal 5th missed making the semi finals.

Our Division 2 team, Led by their captain Keith Desmond with the support of Ken Roberts, Kingsley (Sandwiches) Racheff, George Dalziell and Dennis Ratcliffe, also in a very strong completion ended up in a count back for 5th position but with some luck on their side and a better for and against record took the position and participated in the semi-finals taking the game to their opposition and going one better than their Division 1 counterparts.

What a great sight to see the spectacle of top quality snooker being played within the club again.

During the course of the year we also held some Sunday afternoon fun days which with the return of daylight saving will again make an appearance.

I would like to personally thank the efforts and time invested from the members of the Snooker club committee for their efforts this year as we look ahead for a bigger and better 2019.

Regards,

Paul Burns
