INTRODUCTION

The match committee of Shelly Beach Golf Club presents the 2019 golf programme for the benefit and enjoyment of all categories of members.
The golfing programme has been developed to provide the membership with a variety of competitions, which will be both challenging and enjoyable.

The majority of the golf programme is based on stableford and nett events, which provide all members a chance to compete on an even playing field. There are also major events conducted each year being the men's and ladies Club and Foursomes Championships, Mixed Foursomes Championships, Open Amateur and Junior Classic which have a focus on the scratch event.

Shelly Beach Golf Club is also committed to promoting golf within the membership and community by hosting the annual Coca-Cola Pro-Am, Volkswagon Scramble, Top Gun, Top Gal, ACGC event & Handiskins.

All Members of the Shelly Beach Early Morning Moaners are members of Shelly Beach Golf Club. The Shelly Beach Early Morning Moaners were formed in 1958 and are an integral part of Shelly Beach Golf Club. They are entitled to the first tee on most Sundays mornings throughout the year for 1¾ hours from official sunrise.

The regulations and By-laws for the Clubhouse and Course have been developed over many years to ensure that all members can enjoy their membership and that standards of behaviour and dress are maintained at a level expected by all members. These By-laws and regulations are now available to all members via the website or on request. It is essential that all members are familiar with these regulations and support their implementation.

The Aqua Restaurant is open every day except christmas day for catering and meal requirements. They offer regular specials, which are available on the club's website. Shelly Beach Golf Club conducts regular promotional activities, which are also available on the club's website.

Members are required to notify reception upon a change of personal contact details such as address, phone and email address. This enables Shelly Beach Golf Club to send communications to the members and keep them informed of upcoming events.

GOLF REGULATIONS / ETIQUETTE

BEHAVIOUR ON THE COURSE

Introduction

This section provides guidelines on the manner in which the game of golf should be played. If they are followed, all players will gain maximum enjoyment from the game. The overriding principle is that consideration should be shown to others on the course at all times.

The Spirit of the Game

Golf is played, for the most part, without the supervision of a referee or umpire. The game relies on the integrity of the individual to show consideration for other players and to abide by the Rules. All players should conduct themselves in a disciplined manner, demonstrating courtesy and sportsmanship at all times, irrespective of how competitive they may be. This is the spirit of the game of golf.

Safety

Players should ensure that no one is standing close by or in a position to be hit by the club, the ball or any stones, pebbles, twigs or the like when they make a stroke or practice swing.

Players should not play until the players in front are out of range.

Players should always alert green staff nearby or ahead when they are about to make a stroke that might endanger them.

If a player plays a ball in a direction where there is a danger of hitting someone, he should immediately shout a warning. The traditional word of warning in such situations is “fore”.

CONSIDERATION FOR OTHER PLAYERS

No Disturbance or Distraction

Players should always show consideration for other players on the course and should not disturb their play by moving, talking or making unnecessary noise.

Players should ensure that any electronic device taken onto the course does not distract other players.

Players should not stand close to or directly behind the ball, or directly behind the hole, when a player is about to play.

On the Putting Green

On the putting green, players should not stand on another player's line of putt or, when he is making a stroke or cast a shadow over his line of putt.

Players should remain on or close to the putting green until all other players in the group have holed out.

Scoring

In stroke play, a player who is acting as a marker should, if necessary, on the way to the next tee, check the score with the player concerned and record it.

PACE OF PLAY

"Play at Good Pace and Keep Up"

Players should play at a good pace. The Committee has established pace of play guidelines that all players should follow.

It is a group's responsibility to keep up with the group in front. If it loses a clear hole and it is delaying the group behind, it should invite the group behind to play through, irrespective of the number of players in that group. Where a group has not lost a clear hole, but it is apparent that the group behind can play faster, it should invite the faster moving group to play through.

Be Ready to Play

Players should be ready to play as soon as it is their turn to play. When playing on or near the putting green, they should leave their bags or carts in such a position as will enable quick movement off the green and towards the next tee. When the play of a hole has been completed, players should immediately leave the putting green.

Lost Ball

Players searching for a ball should signal the players in the group behind them to play through as soon as it becomes apparent that the ball will not easily be found. They should not search for three minutes before doing so. Having allowed the group behind to play through, they should not continue play until that group has passed and is out of range.

Priority on the Course

Unless otherwise determined by the Committee, priority on the course is determined by a group's pace of play. Any group playing a whole round is entitled to pass a group playing a shorter round. The term "group" includes a single player.

CARE OF THE COURSE

Bunkers

Before leaving a bunker, players should carefully fill up and smooth over all holes and footprints made by them and any nearby made by others. A rake should be used for this purpose.

Avoid walking up the face of bunkers - always leave a bunker by the way you enter it and smooth out your foot marks with the rakes provided for this purpose. Please place rakes on a flat section of the bunker in the direction of the hole. Players should avoid walking their buggies between the green and the bunkers

Carts

Carts are not to be driven on tees and within 10 metres of the greens.

Signs around the greens indicate the cart limits. Players are to use the cart paths where possible.

Repair of Divots, Ball-Marks and Damage by Shoes

Players should carefully repair any divot holes made by them and any damage to the putting green made by the impact of a ball (whether or not made by the player). On completion of the hole by all payers in the group, damage to the putting green caused by golf shoes should be repaired.

Preventing Unnecessary Damage

Players should avoid causing damage to the course by removing divots when taking practice swings or by hitting the head of a club into the ground, whether in anger or for any other reason.

Buckets are on 1st and 10th tees and sand is provided on most tees.

Do not practice off tees or fairways - use the defined practice area.

Players should ensure that no damage is done to the putting green when putting down bags or the flagstick.

In order to avoid damaging the hole, players and caddies should not stand too close to the hole and should take care during the handling of the flagstick and the removal of a ball from the hole. The head of a club should not be used to remove a ball from the hole.

Players should not lean on their clubs when on the putting green, particularly when removing the ball from the hole.

The flagstick should be properly replaced in the hole using care before the players leave the putting green.

Local notices regulating the movement of golf carts should be strictly observed.

Conclusion; Penalties for Breach

If players follow the guidelines in this section, it will make the game more enjoyable for everyone.

If a player consistently disregards these guidelines during a round or over a

period of time to the detriment of others, it is recommended that the Committee considers taking appropriate disciplinary action against the offending player. Such action may, for example, include prohibiting play for a limited time on the course or in a certain number of competitions. This is considered to be justifiable in terms of protecting the interests of the majority of golfers who wish to play in accordance with these guidelines.

In the case of a serious breach of etiquette, the Committee may disqualify a player under Rule 33-7

PACE OF PLAY GUIDELINES (Shelly Beach Golf Club as of December 2014)

SBGC Pace of Play guidelines have been established in response to the wishes of the vast majority of golfers who play at our course. Compliance with our "Pace of Play" and "Ready Golf" Guidelines will allow 18 holes of golf to be completed in around 4 hours. Obviously, earlier groups in the day can achieve less than 4 hours.
It should be noted that any aggression or offensive conduct towards any person empowered with checking slow play incidents or enforcing these guidelines will not be tolerated and may result in severe reprimand or suspension.

SUMMARY OF RELATED R&A RULES OF GOLF

Section 1: Etiquette (Pages 19 & 20)
"Play at a good pace and keep up."
"The Committee may establish pace of play guidelines that all players should follow."
"It is the group's responsibility to keep up with the group in front."
"Be Ready to Play."

Rule 6-7. Undue Delay; Slow Play
"The player must play without undue delay and in accordance with any Pace of Play Guidelines that the Committee may establish."
"Between the completion of a hole and playing from the next teeing ground, the player must not unduly delay play."

The Match Committee may establish maximum times to complete a round, hole or stroke.

Penalties for Undue Delay & Slow Play (in stroke play) can include one stroke, two strokes & disqualification.

Rule 34-2 Referee's decision
"If a referee has been appointed by the Committee, their decision is final."

Match Committee Sanctions
The Match Committee is responsible for monitoring Pace of Play in competitions and imposing sanctions for breaches.
Sanctions may include, but are not limited to:
Verbal warnings, warning letters, stroke penalties, disqualification, restricted tee

times and restricted playing partners.
The Match Committee will endeavour to consider all related evidence when determining the most appropriate course of action. This evidence may include:

- Timesheet and score card records
- Player statements and reports
- Slow Play Incident Reports and observations
- Reports from Referees, Rangers, Directors, Pro Shop staff and/or Competition Officials
- Any available CCTV or GPS technology
- Time frame recommendations set by the Match Committee
- Pace of Play and Ready Golf Guidelines
- Any related prior records.

Slow Play Incident Reports
The Match Committee may at any time conduct or appoint persons to conduct Pace of Play checks. Should a significant Slow Play incident be witnessed, precise details should be recorded on a Slow Play Incident Report. These reports are to be reviewed at Match Committee meetings where appropriate action will be taken after considering the circumstances and all available evidence.

Should a severe incident occur, a Pace of Play Referee should speak with the group in a timely fashion and advise them of any action or penalty imposed.

"Significant" = 14 to 21 minutes behind the preceding group.
"Severe" = More than 21 minutes behind the preceding group.

(7 minute tee off intervals, thus 21 minutes equates to being 3 groups behind).

SHELLY BEACH GOLF CLUB

JUNIOR DEVELOPMENT PROGRAM

Shelly Beach Golf Club offers a fantastic Junior Development program for boys and girls under 18 years of age. Whilst golf is a sport that can be taken up at any age, our Cadets can start as young as 9 years old. Our Junior Development Program consists of 4 stages.
Progression through the stages is more to do with ability than age.

Stage 1, Cadets (9+ years of age)

Meet nearly every Sunday at 10.30am for up to 9 holes of golf. Coaching Clinics held about once a month on a Sunday, prior to their 9 holes of golf. Cadets are introduced to the sport of golf in a friendly, relaxed, pressure-free environment. They develop essential skills with guidance from Professionals and experienced golfers. They are given a handicap for their 9 holes and this handicap reduces as they improve. They compete in Cadet competitions and it is often surprising how quick they improve.

Stage 2, Sub-Junior (still in the Cadet price category)

Sub-Juniors remain playing with the cadets, but play a full 18 hole competition once a month to help prepare for their future. Sub-Juniors are assigned "Buddies" from our Junior ranks, should they need to get advice from a peer or just need a familiar face to play golf with. Sub-Junior handicaps continue to be adjusted as they improve improve.

Stage 3, Junior Member (10 – 17 years of age)

At the start of this stage, many of our Juniors compete in a District "Encourage Shield" event, playing as a team against other golf clubs on the Central Coast. If successful, they can progress to play against other District winners. Full Junior Members receive an official A.G.U. handicap and become eligible for competition golf & junior events throughout the year – at any golf course. Junior training days are conducted and our Juniors are eligible to enter our Junior Pennant Team. This involves traveling to other courses to play "Match Play" golf where they compete as a team, but in a one on one golf match. Again, winning teams progress on to play other District winners and ultimately play for a State Pennant. In 2014, our Shelly Beach Junior team won the Central Coast District Pennant.

Stage 4, Junior Representatives

As our Juniors progress to be single figure golfers (which can sometimes occur in less than 3 years), they are normally chosen to train with the Central Coast Academy of Sport. Along with Junior Pennants commitments, our best Juniors are chosen for District Representative teams. Shelly Beach currently have more Juniors in the District Team than any other Central Coast Club, which is a testament to our successful Junior Development Program. Supportive parents often travel to Junior events which are held all around NSW and Australia. Juniors competing at these events earn points throughout the year and can see how they are ranked among their peers.
