## PRESIDENT'S REPORT

2020, the most challenging of years but still there is so much to celebrate. While we have not had the opportunities to come together as we would have in the past, we have been fortunate enough to still be able to embrace our love of golf.

While we were out enjoying our course, there was still a lot going on within our fraternity of ladies. Jo Scott, for many years has led a dedicated group of volunteers in helping transition our Tyro's players over to full playing members. This year Jo took the leap into retirement and felt that it was now time to hand over her hat. From all those ladies you helped and guided over of the years we say thank you and wish you a....." Happy Retirement".

When it became knowledge that we were looking for someone to fill the role June Brennan was eager to assist. We would like to say thank you to June as she has now taken on the role as our Tyro's co-ordinator. June was quick to discover that our very successful Tyro's program has become even more popular. The game of golf world wide, being one of the very few activities we can all still enjoy, has hit the heights of popularity.

With that I'm sure you would have noticed that our course has been operating at a constant busy level. Jan Mayfield our Vets Delegate giving testament to that, recording high numbers of our vets ladies participating in the Monday Vets competition. Jan has been our Vets delegate now for many years and will continue with the role during 2021 not before celebrating her 80th Birthday. Happy Birthday Jan.

Over the past years we have had the very gentle soul of Sonia Haggerty as our Welfare Officer. She has been that caring point of contact for us all to stay in touch with those friends of ours that haven't been well enough to join us at the club. Sonia this year made the hard decision that it was time to step aside and pass this role on. Sally Harrold saw this as an opportunity to help our ladies and has now taken on being our Welfare Officer. Thank you Sally.

There are so many of you that without hesitation, give your time and support to our ladies and our club. You are so appreciated and we do very much thank you. Over the last year something that has become very prevalent in our lives is the disease of mental health. It may not be you suffering with this horrible debilitating disease but that Lady, that friend, that family member.

I would like to give thanks to the committee of the CCWGA for nominating the Life Line charity, in particular the mental health arm of their operation, as the priority for the clubs of the central coast when it comes to our fund raising. They are helping put mental health top of mind for us all and to improve our awareness and just how close and prevalent this disease is. More than ever before, this is a subject not to shy away from, but one that we must tackle head on, as the strong fraternity of Ladies that we are. Ask your friends.... Are you OK?

The past years being on your committee and having the privilege of representing The Ladies of Shelly Beach has been an honour. You gave me guidance. You empowered me with your knowledge. You gave me strength. And you gave me incredible support. But mostly you gave me your love and friendship.

Ladies, from the bottom of my heart, thank you.

Jennifer Siegel

PRESIDENT

## **CAPTAIN'S REPORT**

Where has this year gone!! 2020, the Year of COVID-19 has been a year we would never have envisioned. Mixture of enjoyment and sadness, but still able to play our beloved golf regularly to keep our minds and body healthy.

My 2nd year as Captain has been challenging with our golf changing in ways we would never have imagined. Our goal, as part of our Ladies Committee, is to continue to give the ladies a fun and enjoyable experience each week.

Our golfing year was very different this year due to COVID-19 restrictions in place. However, Shelly Beach were extremely lucky to continue to play our usual competitions without much interruption. Ladies Monday comp was changed to a mixed comp with over 100 playing each Monday. CCWGA cancelled all their events from March, Golf NSW cancelled all their events from March up until writing this. Golf NSW medals will go ahead to be played at Asquith.

I would also like to say a big thank you to Jason Hart and all the staff at the Pro Shop who look after all the players at Shelly Beach and for doing our results each week. Also to the greens staff, who get up in the wee hours of the morning, when we are still in our comfy beds, to maintain our beautiful course for our enjoyment! How lucky are we?

Thank you also to Jo Scott and her band of helpers for working with the tyros on Fridays this year. We welcome June Brennan for continuing with our Tyros program 2020. These volunteers do an amazing job helping new recruits ease their way into our golfing community and we welcome all newcomers to our Ladies Competition.

I look forward to working together with the new ladies committee moving forward, both current and new members, and super excited to bring some great ladies golfing events to you in 2021.

Julie Mackey

## **LADY VETS REPORT**

This year has certainly been one of continual change however, we have been very lucky to have been able to play as much as we have. I am sure that the ladies have made the most of the options of playing over the last 8-9 months.

As a result many of the Vets' events that we have usually been able to travel and complete have been cancelled. However, with the restructure of our competition days providing more opportunities, the ladies have been playing several times a week at Shelly.

Our Monday Vets event, run in conjunction with the regular event, has been very popular and I am pleased to see that at the start of the year we had some 50 players on the day, and looking at the numbers now show some 18 games well over that total.

Look out for our Treasurer's information sheet highlighting the fees for 2021 competition – I am also keen to capture those Tyros wanting to join and ladies transferring from other clubs.

I enjoy my role as Veterans' delegate and encourage anyone to come and enquire about Vet fixtures at home & away – with any luck we should be looking for some normality in 2021.

Jan Mayfield
