AGM Captains Report 2022.

Firstly, I would like to thank you for entrusting myself with the role of Club Captain for another three years. Over the last three terms my mantra has not changed. That is, to provide the best golfing experience for the most people.

I think our proudest achievement as a board and match committee is that not one of our major honour boards says, "Not played due to COVID" These boards and the names adorned, will be up there long after we have all departed. I would like to think, that COVID 19 tested our resilience, courage and thoughtful decision making. Then of course we had the 1 in 500 years flooding. Whilst some course closed for weeks and months, we lost \$\$ days. A remarkable achievement.

Jason Hart and his team have worked incredibly hard during the previous year turning up day after day to provide a golfing experience for you all when the rest of us had the option of just going back to bed during lockdown.

Andrew Banning and his team have worked incredibly hard during the year not only maintaining our course in fantastic condition, but also the major works that have been undertaken. I want to make special mention to our clubhouse staff. I would like to think that our current crew are amongst the best team I have ever seen. Nothing is too difficult for them, and despite the incredible workload, they are always smiling and enjoy being part of the team. The Summary of our Champions has been sent out.

Peter Sliwinski

Captain
