## WOMEN'S ANNUAL REPORT

**2024 - 2025**

## **PRESIDENT'S REPORT**

The 2025 calendar has once again been full, and it has been wonderful to see such strong participation across competitions, Invitation Day and Charity Days.

I would like to extend my thanks to our hardworking committee Captain Jenny Bennett, Vice Captain Sue Stewart, Secretary Gai Palmer, Treasurer Lyn Kenny, Vets delegate Roz Evatt, Trophy Officer Robyn Ray, Welfare/general committee Janet Davies. Each member has given their time and energy to ensure everything runs smoothly.

Thank you goes to Jenny who took on the captain's role this year from our very experienced Captain, Kim. Although it is never easy following someone with such a wealth of knowledge, Jenny embraced the challenge with energy, commitment and a genuine passion for the club, quickly earning the support and respect of members.

A special thank you goes to our Secretary, Gai who is retiring from her role this year. Gai your attention to detail and efficiency has kept us all on course. We are deeply grateful for your six years of service and wish you many happy rounds of golf without the burden of meetings and minutes.

I would also like to thank Janet who is stepping down from her role as general committee but will continue the role of welfare officer. Thank you for your support and willingness to help wherever needed.

Thank you to Robyn Ray, our Trophy Officer who will be continuing on the committee for a further term.

Special thanks must go to Sue Stewart and all the ladies that assisted Sue in the selling of 100 Club tickets.

Thank you to Pam Clarke who continues to look after the second-hand clothing rack so efficiently. Your hard work and commitment are very much appreciated by everyone. \$1,500.00 of the proceeds of the sale of second-hand clothing was donated to a charity of Pam's choice, We Care Connect. This donation was generously doubled by outside donors.

On behalf of all our lady members I must give a very big thank you to our General Manager, Jeff, Jason and the staff of the Pro shop, Jess and all the members of the bar and kitchen staff, Kayla and the office staff, the reception staff and lastly the Course Superintendent, Andy and his team who keep the golf course in excellent condition.

This year we held two very successful charity days and raised \$2,500.00 for the District Charity, We Care Connect from a Fashion Parade and high tea luncheon and \$4,000.00 for the Oncology Unit at Gosford Hospital in October 2024.

To all our members thank you for your generosity, enthusiasm and friendship. You are the heart of our club and it is your participation that keeps our ladies golf thriving.

Julie Phillpot  
PRESIDENT

## **CAPTAIN'S REPORT**

A challenging year with a good deal of inclement weather, a new Women's Captain and updates and changes to the Shelly Beach golf course. All for the betterment of the game but requiring some short-term adjustments on the part of our players.

Thank you to Andrew Benning and his team who have done an outstanding job of presenting the course in the best possible way every week.

Our membership currently sits at 350 and continues to grow. It is made up of several categories, the main being:

- Full playing 203
- Tyro (all categories) 50
- Women's 5 Day members 12
- Junior 5

Our Wednesday mid-week competition continues to be well patronised with between 90 – 110 players on a regular basis. Of particular interest is the patronage of stroke events with 4 of the 6 medal rounds having over 100 players. Our continued thanks go to Jason and his team for running the events and his willingness to consult with the Women's Match Committee through our regular monthly meeting. We appreciate the effort that goes into supporting and improving golf for women players. Our committee has autonomy over the events that we offer and how they are run. Jason, the Board and GM Geoff are very accommodating and supportive of the events that are held.

Our club holds a variety of events including daily competitions, Pennants in all its varieties, Pro Ams and Top Gal that we can participate in and enjoy. Women can take the field on every day but Thursday as this is a dedicated men's competition day. This diverse range of events offers something for everyone.

Each of our progressives this year has had a different format. Our Opening Day (Team Ambrose) CCWGA charity Day (Top 9 plus division winners on the nominated Day), Oncology Day is a Waltz format, Invitation Day (1 score on par 3 holes, 2 scores on par 4 holes and 3 scores to count on par 5 holes). Gala Day is always enjoyed with our 3 clubs and a putter format with best 2 scores to count.

Our Facebook Group continues to be an effective way to communicate with the women members and all women golfers are encouraged to use this valuable source of information to keep abreast of what is happening each week. There is an email group as well. The Facebook page is encouraged over the email group as it means less work for the Women's Captain in keeping you all informed and up to date! You do not have to actively participate in Facebook to join the Shelley Beach Women's Golf page, but you do need to be a member of the Shelly Beach Women's golf community.

The Tyros program continues to do well and is very popular with those who wish to learn the basics of golf. Many of these women go on to become full playing members and are most welcome in all our events.

Stage 1 of the Clubhouse and course changes are ready to be opened with new forward tee boxes constructed on some holes in play. Our Captain Pete Sliwinski has updated our committee and women members who were interested on future changes to be implemented.

We have a very collegial, collaborative and hardworking committee and club members who are generous with their time to help when needed.

Lastly, thank you to all the women who join in regularly in the variety of competitions that are part of Shelly golfing life. I appreciate all the thoughts that experienced golfers have shared with me and hope I will continue to be able to answer or find an answer for you as required. It's been a huge learning curve for me, but at the same time my pleasure to give back and make great connections.

Jenny Bennett  
CAPTAIN

## **TREASURERS REPORT**

I would like to present the Financial Report for the period 1 July 2024 to 30 June 2025.

We have been able to maintain the balance in our bank account from the 100 club and raffles we hold during the year. Our weekly lucky numbers and occasional raffles are always well supported by our ladies.

The money raised enables us to contribute to lunch on Gala Day, provide flowers as well as drinks and cakes on special days.

We raised \$2,500.00 for the CCWGA District Charity during May 2025 and from the monies raised on Oncology Day (October 2024) we donated \$4,000 to Central Coast Health.

If you wish to ask any questions regarding my report, would you please advise in writing prior to the AGM so that I can answer any questions as accurately as possible.

TREASURER
