SHELLY BEACH GOLF CLUB

WOMEN'S ANNUAL REPORT

2025 - 2026

PRESIDENT'S REPORT

It is with mixed emotions that I present my final President's Report.

After three years as President and four years as Treasurer, I have decided that it is time for me to step aside and allow someone else the opportunity to take on the role. It has been seven very rewarding years on the committee, and I feel incredibly fortunate to have been part of such a wonderful club.

Looking back over the past year, we have had another busy and successful year, with many wonderful events and occasions bringing our ladies together.

Some of the highlights have included Open Day, District Charity Day, Oncology Day, Club and Foursome Championships and Invitation Day. Each of these events takes a great deal of planning and organisation, and I would like to thank everyone who contributed to making them such successes.

A special mention must go to our committee, who have worked so hard throughout the year.

To Jenny Bennett, our Captain, thank you for your commitment to the ladies' golf and all the work you do to keep things running smoothly.

To Sue Stewart our Vice Captain, thank you for your continued support and dedication. I know you had been considering retirement from the committee, I am delighted that you have agreed to stay on for another term as a general committee member and thank you for taking on the role of Vets Delegate. Your willingness to continue contributing to our club is greatly appreciated.

To Roz Evatt, our Vice President, thank you for your support and assistance throughout the year.

To Lyn Kenny, our Treasurer, thank you for keeping our finances in order and for the time and care you put into the role.

To Deb Conroy, our Vets Delegate and General Committee member, thank you for your contribution and dedication. I know you are retiring from the committee, and I would like to acknowledge and thank you for everything you have given to the club.

To Robyn Ray, our Trophy Officer thank you for looking after this important part of our golfing calendar. I am also delighted that you have agreed to stay on for another term. Your continued involvement is very much appreciated.

And to Denise Bentlin, our Secretary, thank you for stepping into the role this year and for all your hard work and support.

I couldn't have asked for a more supportive group of ladies to work alongside. Every committee member plays an important part, and I am very grateful for the time, effort and friendship you have all given.

Special thanks must go to Sue Stewart and all the ladies that assisted Sue in the selling of the 100 Club tickets.

Thank you to Pam Clarke who continues to look after the second-hand clothing rack. Your hard work and commitment are very much appreciated by everyone.

On behalf of all our lady members I must give a very big thank you to our General Manager, Jeff, Jason and the staff of the Pro shop, Jess and all the members of the bar and kitchen staff, Kayla and the office staff, the reception staff and lastly the Course Superintendent, Andy and his team who keep the golf course in such great condition for us to enjoy.

As I finish my time as President, I do so with many happy memories, plenty of laughs and some wonderful friendships that I will treasure.

I wish Roz, the incoming President and committee every success. Please give them your support, encouragement and understanding as they take on their new roles. It is important that we continue to work together to keep our ladies' club strong, welcoming and enjoyable for everyone.

Although I am stepping down as President, I am certainly not saying goodbye to Shelly Beach Ladies Golf. I look forward to continuing to enjoy my golf, the friendships and everything that makes our club so special.

Finally, I would like to say a heartfelt thank you for giving me the opportunity to serve as your Treasurer and President over the past seven years. It has been an honour, a privilege and a journey I will look back on fondly.

Thank you, ladies. It has been a wonderful ride, and I am looking forward to enjoying life on the other side of the committee table.

Julie Phillpot
PRESIDENT

CAPTAIN'S REPORT

We have been very fortunate with the weather this year in that very few changes to organised competitions have been necessary. Overall, I feel the year has run smoothly thanks to the input of the entire Women's Committee, the members who have actively supported events in such a positive way, and the support of the club and Proshop team. Thank you to Andrew Benning and his team who continue to do an outstanding job of presenting the course in the best possible way every week.

Our membership currently sits at 342 and continues to grow. It is made up of several categories, the main being

- Full playing 195
- Senior 42
- Country 19
- Tyro (all categories) 41
- Women's 5 Day members 8
- Junior 3

Of the 45 golfing Wednesdays that were scheduled we played

- 5 Par events,
- 13 Stroke rounds (including the Championships and BWC),
- 4 Progressive rounds
- 5 Team events and the rest were Stableford events.

Our Wednesday mid-week competition continues to be well patronised with between 100 – 120 players on a regular basis. It is beginning to be a challenge to get a spot at a preferred time with our current 2 tee start. Patronage of stroke events continues to be strong with numbers of 90 or more players in all but 2 medal rounds (these rounds were 87 and 82), so not too shabby!

The Championships were well patronised although entries were slow to begin. Next year there will be a set closing date after which no further entries will be accepted. Additionally, you are being asked to vote today on a proposed change to the way entries are seeded in the Championships.

The structure of the Singles and Foursomes Knockout was implemented with firm dates by which matches had to be completed. This was a positive change and allowed both these events to be completed in a timely manner.

Our club holds a variety of events including daily competitions, Pennants in all its varieties, Pro Ams and Top Gal where women can take the field for engagement and enjoyment of their golf. This diverse range of events offers something for everyone.

Our Women's Pennants team had improved results this year finishing equal 3rd in the district competition. Thanks to Jude Tarren and Rhonda Magner for again stepping up to be Captain and Vice Captain. You bring knowledge, positivity and stability to the team.

Women can play 6 of 7 days in competition, everyday but Thursday as this is a dedicated men's competition day. To balance this, we dedicate Wednesdays to the women for their competition.

Our progressive events this year continued with the same format as 2025 as this was well received. Our Opening Day, CCWGA Charity Day, Oncology Day, and Invitation Day ran smoothly with the reliable input from the committee and Proshop. Gala Day is always enjoyed with our 3 clubs and a putter format with best 2 scores to count.

Our Facebook Group continues to be an effective way to communicate with the women members and all women golfers and I encourage new members to use this valuable source of information to keep abreast of what is happening each week. There is an email group as well. The Facebook page is encouraged over the email group as it means less work for the Women's Captain in keeping you all informed and up to date. You do not have to actively participate in Facebook to join the Shelly Beach Women's Golf page, but you do need to be a member of the Shelly Beach Women's golf community.

The Tyros program continues to do well and is very popular with those who wish to learn the basics of golf. Many of these women go on to become full playing members and are most welcome in all our events.

Stage 1 of the Clubhouse and course changes have been implemented, and the new Stephenson Course was opened with Jan Stephenson kindly giving her time to be the Guest of Honour to open this course. Stage 2 is now underway with the construction of the new 5th hole.

Renaming of all other course should be announced shortly.

Our continued thanks go to Jason and his team for running the events and his willingness to consult with the Women's Match Committee through our regular monthly meeting. We appreciate the effort that goes into supporting and improving golf for women players. Our committee has autonomy over the events that we offer and how they are run. Jason, the Board and GM Geoff are very accommodating and supportive of the events that are held.

We have a very collegial, collaborative and hardworking committee and club members who are generous with their time to help when needed. I personally wish to thank our outgoing President Julie Phillpot, she has been a wealth of organisation, knowledge and support to us all and her input will guide the future direction of the Women's Committee. A job well done Julie … you will be missed on committee.

Lastly, thank you to all the women who join in regularly in the variety of competitions that are part of Shelly golfing life. I continue to appreciate all the thoughts that experienced golfers have shared with me as I navigate another year in the Captain role.

Jenny Bennett
CAPTAIN

SHELLY BEACH LADIES GOLF COMMITTEE
TREASURER'S REPORT – 24/10/2026
